# Environmental Studies Coordinate Major-Curriculum Card Supplement

| **Name:** | **Student #:** |
|---|---|
| **Major:** Biology/Env. (  ); Chemistry/Env. BA (  ) or BS (  ); Political Science/Env. (  ) | |

The additional courses required for the coordinate major should be included on the primary major's curriculum card if room exists to place them. Otherwise, additional courses will be required beyond the requirements of the student's primary major.

- Courses with prefixes outside of the student's primary field may fit as advised/free electives or as distribution requirements (e.g. ESC 172 fits as a Natural Science-NS course for a Pol/Env. St. major). Courses with the same prefix as the primary major may fit as advised electives or as major courses (e.g. ENV 304 for a Bio/Env. major).
- **Substitutions** for any of the courses listed above must be approved by the program coordinator. Refer to the Niagara University Catalog for the most up-to-date listing.
- The **capstone** course in the chosen major should, if possible, involve an environmentally-related topic. Also, students are encouraged to consider a cooperative education or internship experience in a government agency, interest group or business concerned with environmental issues.

| **Required Courses** | **Course Title** | **Completed √** |
|---|---|---|
| BIO 103 or Bio 204 | Environmental Biology or Ecology | |
| ENV 200 | Intro to Environmental Studies | |
| **Group 1 (select 3)** | | **Complete 3** |
| ENV 105 | Environmental Toxicology | |
| ENV 204 | Ecology w/ lab | |
| ENV 302 | Nature Study | |
| ENV 304 | Field Ecology w/ lab | |
| ENV 445 | Limnology (Lakes and Streams) | |
| BIO 210 | Botany | |
| BIO 345 | Biometrics | |
| BIO 445 | Limnology w/lab | |
| CHE 105 | Chemistry and Society | |
| CHE 227/229L | Analytical Chem w/ lab | |
| CHE 350 | Special Topics in Environmental Chemistry | |
| ESC 172 | Meteorology | |
| ESC 174 | Physical Geology | |
| **Group 2 (Select 1)** | | **Complete 1** |
| CMS 120 | Media Writing | |
| CMS 222 | Writing for the Web | |
| CMS 315 | Public Relations | |
| CMS 340 | Photography | |
| CMS 354 | International Communications | |
| ENG 345 | Science Writing | |
| SPK 101 | Speech | |
| **Group 3 (Select 2)** | | **Complete 2** |
| ECO 101 | Macroeconomics | |
| ENV 290 | Environmental Thought | |
| ENV 488 | Internship in Environmental Science | |
| HIS 272 | NY State History | |
| PHI 323 | Environmental Ethics | |
| POL 241 | Public Policy | |
| INT 100 | Introduction to International Studies | |
