

CAREER FAIR ACTIVITY FORM

First, gather promotional materials and informational literature from the companies/recruiters and answer the following questions:

1. Learn about opportunities that are available such as internships, full-time or part-time employment.
2. What does it take to get an interview with this company?
3. Which majors and/or minors are most appropriate for a job with this company?
4. Obtain information about each company such as: location, number of offices, number of employees, and opportunities for advancement.

Second, write a few paragraphs about your experience at the Career Fair(s).

Third, bring the written statement, along with the materials you collected, to your next appointment with an AEP advisor.
