We're a Great Value

2

At Niagara, you will enjoy the benefits of a large university – such as our established **honors and study-abroad programs**, Model U.N.team, active internship and co-op programs, and opportunities to conduct research – in the **personal, challenging environment** of a smaller school. You get all this at a cost that's comparable to that of a state institution when you factor in our **generous financial aid packages**. In fact, 98 percent of entering students receive some form of financial aid.

Niagara University: The Details

STATUS: A private, Catholic coeducational liberal arts university founded in 1856 by the Vincentian community.

ENROLLMENT: More than 2,900 undergraduates and 900 graduate students.

AVERAGE CLASS SIZE: Approximately 25

STUDENT-TO-FACULTY RATIO: 14:1

CREDENTIALS: All four academic colleges have been accredited by the top accreditation boards in their disciplines; 96 percent of Niagara professors have earned the highest degrees in their fields. Named in the Princeton Review's 2008 edition of "The Best Northeastern Colleges."

CAMPUS: More than 160 acres in suburban Lewiston, N.Y., four minutes from scenic

Niagara Falls, 20 minutes from Buffalo, and an hour and a half from Toronto.

STUDENT LIFE: 80-plus student clubs, including student government and Greek organizations, plus a very active intramurals program and a student-run Campus Programming Board.

STUDENT HOUSING: On-campus housing is available for all four years in one of our traditional residence halls or student apartment complexes.

ATHLETICS: Niagara fields eight men's and nine women's varsity NCAA Division I sports teams that compete in the Metro Atlantic Athletic Conference and the College Hockey America conference. We also offer a very active club sports and intramurals program.

ALUMNI: More than 30,000 living alumni. For the Class of 2005, 90 percent were employed and 48 percent were attending graduate school within six months of graduation.

3 Important Things You Need to Know About Us

We're Smart

1 Niagara University has been educating students for more than 150 years. Our established liberal arts curriculum offers more than 50 majors, including six preprofessional options, two five-year combined bachelor's/master's programs, and our award-winning **Academic Exploration Program** for students who haven't yet decided on a major. This is an education that works: Not only does U.S. News & World Report rank us among the "Best University-Master's" in the North, we also have proof of our **graduates' success**. Within six months of graduation, 90 percent of **students find jobs** and 48 percent are attending graduate school.

We Make a Difference

3 Inspired by the **Catholic and Vincentian traditions** upon which the university was founded, students enhance their education by serving their communities and helping those in need. Every student will graduate with service experience under his or her belt; in fact, NU students contribute nearly **50,000 hours of community service** each academic year. It's no wonder the university was one of only 10 colleges nationwide named as a finalist for General Excellence in Community Service in the 2006 President's Higher Education Community Service Awards.

List of Majors

- Academic Exploration Program** (undeclared program)
