*Should you register for courses and receive aid, then later drop courses and receive a refund on tuition, your financial aid must also be adjusted, and/or returned to the lender, based on the lower cost of attendance. **It is your responsibility to notify the Financial Aid Office of your change in plans.**

***Professional Services Vouchers** can affect your aid. Loans may be adjusted and/or returned to your lender based on your cost of attendance and federal regulations.

*If you have any questions about your financial aid awards, please contact the Financial Aid Office at 716-286-8686. We reserve the right to modify or cancel any awards to comply with federal or state law, institutional policy, or if a clerical error is made.
