

Office of Financial Aid

To complete your MPN or Entrance Interview logon to the New York Higher Education Services Corp. (HESC) website at www.hesc.org.

1. Click on “**Students, Families, and Counselors**”, at the bottom of the page click on “**Complete the e-MPN**”.
2. Read Step 1, and hit the “**GO**” button to begin the Stafford Loan Master Promissory Note.
3. Read and follow the 9 step e-MPN process.
4. **Pin numbers** – If you do not already have a HESC personal identification number (pin) click on “**First time users, click here to register with HESC**”. You will make up your own user ID and pin number. If you already have one and cannot remember it, click on “**I forgot my user ID and pin.**” Once you put in your information and answer a challenge question it will give you your user ID and you can make up a new pin number. Once created, please remember for future use.

At the end of the MPN process, you either click the “**DONE**” button or click on the Entrance Interview and do it all at the same time. If you **only** need to do an Entrance Interview you can go to www.mapping-your-future.org. You may also complete either the MPN and/or your Entrance Interview on paper in the Financial Aid Office, but this must be completed before you will be cleared to register. *Students always have the right to reject their loans, but it must be in writing. You can send me an e-mail at meh@niagara.edu, if you want to reject your loans, or if you have questions.*

If you completed your loan application on paper in the Financial Aid Office it takes about four weeks for the loan to be guaranteed.
