2011 UNDERGRADUATE SUMMER SCHOOL APPLICATION FOR FINANCIAL ASSISTANCE

Students requesting financial aid for summer school must file the 2011-2012 FAFSA and TAP applications (www.fafsa.gov), as well as submit **signed** copies of both parents' and student's 2010 tax returns. No request for summer aid will be reviewed until the FAFSA and tax returns are received. **The availability of financial aid is limited for summer school and can affect availability of funding for the school year (fall and spring semesters).**

***Note:** **You must register for at least a total of *6 credit hours* and be a matriculated student working toward a degree or certificate at Niagara University during the summer sessions to qualify for any financial aid. A financial aid package for summer will not be determined until you have *actually* registered.**

Should you register for courses and receive aid, then later drop courses and receive a refund on tuition and/or room and board charges, your financial aid must also be adjusted, based on the lower cost of attendance. You will be responsible for any balance owed Niagara University.
