*Canadian Part time students must apply for a new I-20 with new financial documents each semester.
PROVING FINANCIAL SUPPORT BY SENDING US THE FOLLOWING DOCUMENTS:

1. You must provide an account statement or letter from a bank or other financial institution which includes the current balance and date. Bank statements saying “enough” or “sufficient” funds are not accepted; a specific dollar amount is required. Bank statements alone may not be sufficient proof of financial capability unless that account balance is very high.

2. Investment accounts are not acceptable unless the document indicates they are guaranteed funds and immediately available and meet the criteria listed above. Funds cannot be stocks or bonds.

3. Documents must be less than 3 months old and in U.S. Dollars or you must attach a currency conversion showing the U.S. dollar equivalency on that date.

4. Documents must be in English. If your financial institution is unable to provide you with a statement or letter in English, you must attach an official translation of that document. The U.S. Embassy/Consulates will not accept documents that are not in English.

5. We require original financial documents when issuing the I-20 document, however the originals will be returned to the student with their I-20 packet to present to the US government for processing.

6. If the financial documents are not in the name of the student, the person(s) providing the funds are considered a Sponsor(s). The Sponsor(s) providing the financial documents must complete the Sponsor’s Affidavit of Annual Support, specifying annual support. This affidavit is a legal document and must be signed and sealed by an official notary or Commissioner of Oath (usually attorneys).

7. If the bank account is in more than one name, all names and appropriate signatures must appear on the notarized affidavit.

DO NOT SEND:
* Information about non-liquid funds or property; non-liquid assets will not be considered.
* Retirement account information, unless it states the funds are guaranteed and immediately available.
* Bank statements that are not in your name, unless with appropriate affidavits.

If you are not a Canadian Citizen, you should be prepared to provide additional financial documentation to prove financial capability to pay beyond the first year. (Examples: A letter from your employer on business stationary stating your annual salary, Income tax receipts and forms, etc).

CHECKLIST FOR SUBMITTING YOUR APPLICATION FOR FORM I-20

___1. Submit pages 1 and 2 of the application in person or by mail.

___2. Submit a copy of your passport.

___3. Submit financial documentation showing your financial capability.

___4. If someone is sponsoring you, submit the notarized “Sponsor’s Affidavit of Annual Financial Support” (page 6) along with their financial documents showing financial capability.

___5. If someone is providing you with free room & board while living in the U.S., submit the notarized “Sponsor’s Affidavit of Free Room & Board” (page 8) along with their proof of residence (deed/lease).

___6. Submit documentation detailing amounts of any awards or scholarships you have been granted.

___7. Allow several weeks for processing.
YOUR COMMITMENT:

When you complete the Sponsor’s Affidavit of Annual Support on the other side of this page, you are certifying and swearing to Niagara University, a public official, and the U.S. government that you can and will provide a student with a specific amount of money for every year of study at Niagara University.

It is assumed that you have carefully considered the real costs of providing the student while living and studying in New York State. Do not expect that he/she will be able to find employment or other support after beginning school as employment is strictly controlled by the U.S. Immigration Service and is extremely difficult to get. You should anticipate that the student’s expenses will increase 4-5% annually. Sponsors who fail to meet their commitment, jeopardize the student's education, and legal status in the U.S. and cause pain and suffering.

INSTRUCTIONS FOR COMPLETING THE AFFIDAVIT:

1. Fill out the form on the back of this page completely. Please print or type.

2. Promise to provide only the amount you intend and are able to give to the student.

3. Sign the affidavit in the presence of a notary public in the U.S. or other licensed official in your country. *The notary public or official must sign and put the official seal on the affidavit.*

4. Attach documents which prove that you are financially capable of this support.

5. Documents must be in English, less than three months old.

See “PROVING FINANCIAL SUPPORT” on page 4 of this I-20 application for details.
