**Enrollment**

The 2015 enrollment in programs offered in the College of Education is 1,253 (fall 2015 census). Enrollment distribution in the College of Education includes undergraduate (45%) post-baccalaureate studies in Ontario (23%) and graduate/advanced studies (48%).
Supply and demand data continue to demonstrate a strong need for teachers in special education, math, science, and TESOL. These programs remain under enrolled; however, increases have been noted in TESOL and secondary special education.
