Needs Assessment: Durable Goods Services

3. Rating the need for providing Durable Goods

In this section we are asking you to rate the need for programs and services providing durable goods such as small and large appliances, baby furniture etc.

Only complete this module if you have knowledge about the need for these durable goods services and programs.

Rating the need for services and programs across Niagara County will provide the most detailed information about meeting the needs of certain populations.

Surveymonekey is collecting data as you provide answers which may slow down the rating. Wait for a check mark to appear before moving on to the next line.
