The nationwide Teacher Shortage Area (TSA) lists for the 2010-2011 school years have been completed.

The federal designation of teacher shortage areas in your state under:

- 34 CFR 682.210(q) enables a borrower who had no outstanding Federal Family Education Loan (FFEL) Program loan on July 1, 1987 but who had an outstanding FFEL Program loan on July 1, 1993 to qualify for deferment of loan repayment under the Federal Stafford Program anytime within the life of the borrower’s loan(s);

- 34 CFR 674.53(c) enables Federal Perkins Loan borrowers who are full time teachers of mathematics, science, foreign languages, bilingual education or any other field of expertise where the State educational agency determined there is a shortage of qualified teachers to qualify for cancellation of up to 100% of their loan;

- 34 CFR 686.12(d) enables grant recipients to fulfill their teaching obligation under the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program; and

- 34 CFR 653.50(a)(2)(ii) enables scholars to qualify for the reduction of teaching obligation under the Paul Douglas Teacher Scholarship Program.

Please refer Federal Stafford/SLS and Federal Perkins Loan borrowers who have general questions concerning their loan(s), including the teacher shortage area deferment, to the Federal Student Aid Hotline at 1-800-4FED-AID and refer Douglas Scholars to the State agency that awarded the scholarship.

We appreciate the efforts and patience of the State representatives who provided the required data for updating this document. If you have any comments or suggestions about this listing we would like to hear from you. Please direct your comments or suggestions to:

GENERAL NOTES

Numbers in parenthesis refer to grade levels, unless age is specified. For example, “(4-12)” means grades 4 through 12.

Geographic Shortage Areas – The geographic boundaries of a school district are acceptable, however, designation by school district does not limit eligibility for the deferment or reduction of teach obligation to teachers in public schools only.

No TSA proposal submitted – This indicates the State chose not to submit a TSA proposal for consideration.

No TSAs approved – This indicates a TSA proposal was submitted, but adequate information was not provided.

State declared no TSAs exist – This indicates the State sent a letter indicating that no shortage areas exist for the school year indicated.

ABBREVIATIONS

“ESL” – English as a Second Language

“K” – Kindergarten

“N” – Nursery

“Pre-K” – Pre-Kindergarten

“TSA” – Teacher Shortage Area

STUDENT INFORMATION – Loan Forgiveness Or Deferment

To apply for loan forgiveness or deferment, apply through the holder of your loan(s).

For FFEL or Stafford loans, check the promissory note and contact the lender or guarantor holding the loan(s), or the state education agency in the state where you are teaching.

For a Direct Loan contact the U.S. Department of Education's Direct Loan Servicing Center at 1-800-848-0979.

For a Federal Perkins Loan, contact the school where you received the Perkins Loan.

The following web site will provide you with additional information regarding the cancellation and deferment provisions for the Title IV programs:

**TEACH Grant Program**

The Teacher Education Assistance for College and Higher Education (TEACH) Grant program provides grants of up to $4,000 per year to students who agree to serve as a highly-qualified full-time teacher in a high-need field in a public or private elementary or secondary school that serves low-income students. A TEACH Grant recipient must teach for at least four academic years within eight years of completing the program of study for which the TEACH Grant was received. If a TEACH Grant recipient fails to complete the service requirement, the total amount of TEACH Grant funds received will be converted to a William D. Ford Federal Direct Unsubsidized Loan.

Institutional participation in the TEACH Grant Program is optional, not required. If an institution opts to participate in the TEACH Grant Program, the institution has the authority to determine which of its programs meet the requirements to be TEACH Grant-eligible. An institution may designate only certain programs as TEACH Grant-eligible and not designate others, even though other programs may prepare a student to teach in a high-need field. In order to be eligible to receive a TEACH Grant, a student must be enrolled in a TEACH Grant-eligible program and be otherwise eligible.

High-need fields are Bilingual Education and English Language Acquisition, Foreign Language, Mathematics, Reading Specialist, Science, Special Education, and other identified teacher shortage areas (not geographic areas) as of the time you receive the grant or as of the time you begin teaching in that field. The “other identified teacher shortage areas” are listed in this publication.

Additional information about the student eligibility requirements for the TEACH Grant Program may be found in a Fact Sheet at the following website:

http://studentaid.ed.gov/students/attachments/siteresources/4807Teach_FactSheet_v3.pdf

A list of higher education institutions currently participating in the TEACH Grant Program may be found at the following website:
