University Parent Welcome

Welcome to Niagara University. We are extremely pleased that your family has chosen to become part of our community.

Niagara is guided by its mission as a Catholic and Vincentian university. As an institution, we continually aim for excellence — excellence in teaching and learning, in research and publishing, and in the many ways in which we serve and care for our students. Niagara’s Catholic nature is demonstrated by our respectful community that recognizes the God-given dignity and worth of every individual. To honor our Vincentian heritage, Niagara seeks to inspire students to serve others, especially the needy.

Our communication with students’ families is a critical element in providing a positive college experience. We respect the critical role that you play in guiding your sons and daughters through their collegiate careers, and we look forward to assisting you in any way possible during their time at Niagara — and afterward.

Once again, thank you for choosing Niagara University. We look forward to seeing you around campus.

Sincerely,

Rev. Patrick Zengierski, Ph.D.
Assistant to the Executive Vice President for Student Outreach and Support

Niagara University Parents Association
2012-2013 Parent/Guardian Information

Niagara University understands that parents and guardians play a vital role in the college experience of their family members and wants to partner with them to ensure student success at Niagara. In an effort to build and expand communication that will benefit Niagara’s students and their families, NU takes an integrated approach to parent relations. A parent guide, a weekly e-newsletter and a Parents Association, in addition to our current parent webpage, are vehicles to enhance interaction and support between the university and Niagara parents and guardians.

To join the Parents Association, please fill out this form and return to Rev. Patrick Zengierski, PO. Box 1944, Niagara University, N.Y. 14109.
