CAMPUS NEWS
A quick look at what’s happening on the Ridge. To access all the NU news, visit http://www.news.niagara.edu.

A College of Distinction: Niagara University is one of only 10 Catholic colleges and universities in New York state— and 76 nationwide — to be selected to the 2016-17 list of top academic institutions by Colleges of Distinction. This is the fifth organization to recognize NU for its strong record of preparing graduates for real-world success since September. The others are U.S. News & World Report, The Princeton Review, Money magazine, and College Choice.

New Dean Named: Dr. Chandra Fonte has been appointed dean of NU’s College of Education. Dr. Fonte, who joined NU in 1996 and has held several leadership positions during her tenure, has been serving as interim dean of the college since Dr. Debra Gilley was promoted to executive vice president of the university last August.

New Role: Dr. David Taylor, former NU president and chief executive officer, has been named to the National Collegiate Athletic Association (NCAA) Division 1 board of directors. The term runs from Aug. 5, 2016, to September 2020. Meanwhile, Dr. Thomas Chambers, NU professor of history, has been elected a fellow of the New York Academy of History.

Role Models: The Rev. Joseph L. Levesque, C.M. Institute for Civic Engagement and its director, Dr. David Taylor, were honored by the Our Lady of Angels Association during the organization’s annual Vincentian Church Dinner in May. Tom Lowe, director of NU’s Rochester chapter, was also recognized for his work in improving the conditions of those living in Niagara Falls.
