*If you are not registering via WebAdvisor, you may visit the Student Records and Financial Services office in the Butler Bldg. to
register in person. Because online registration opens in the evening, you will need to wait until the next day to register in person;
office hours begin at 8:30am. Make sure you bring your signed advisement card.*

If you do not know your username/password, go to the Information Technology Help Desk now located in the Library. Bring your
student ID. The help desk can also be contacted via phone at 716-286-8040 or email helpdesk@niagara.edu.

Please go to [http://www.niagara.edu/it](http://www.niagara.edu/it) for all the IT student services information.

Adjustment days for drop/add: Students can adjust their schedules on-line until the day before school starts.
Schedule changes: If you need to change your schedule after registering, you should contact your advisor to discuss changes. If you
make changes to your schedule without consultation, keep in mind that *you acknowledge and agree that you are the person
primarily responsible for the planning that ensures the completion of all graduation requirements, including those specific to
your major(s) and minor(s), and that you are solely responsible for any and all course selections that you have made.*
