Niagara University School of Nursing presents

Innovations in Education for Nurses

Friday, Sept. 11, 2015
Castellani Art Museum • 8 a.m.-5 p.m.

Keynote address from
Dr. Patricia Benner
Professor Emerita at the
University of California School of Nursing

In addition to Dr. Benner, this program will include other nationally recognized experts in nursing innovation and education.

The dramatically changing healthcare landscape presents tremendous opportunities for nurses. Education for exciting new or expanding roles is challenged to transform proactively. National experts and innovators address changing expectations and strategies for contemporary and future nursing education.

Why attend?
Dialogue with experts • Expand your educator paradigm
Build your methods toolbox • Challenge your creativity

Who should attend?
This workshop is for you if you educate nurses in the classroom, lab, clinical area, on the job, at the bedside.
