- Plan B - 4 monthly payments starting in September for Fall/February for Spring

I understand that by submitting the following application to Niagara University that I am in knowledge of and will adhere to the following:

Niagara University reserves the rights to review all applications, and approve or deny based upon previous payment record and information provided on the application. No applications will be processed for any student with an outstanding balance from a previous semester.

Upon receipt of application, Niagara University will charge the student account a nonrefundable fee of $25.00 for the current academic semester. This fee entitles the student/family to either Plan A - 20 percent down payment in August or January and four monthly installments for the semester, or Plan B – 4 monthly payments starting in September or February.

I understand that the student listed above will be responsible for a 2% late fee on any installment that is not received by the respective due date. If I fail to submit two or more payments on time, Niagara University reserves the right to cancel this contract, thus, causing the entire semester’s balance to become due immediately.

Students sign a registration disclaimer when they register and are responsible for all unpaid balances.
