Original Data Collection Projects

Media Coverage of Supreme Court Sexual Assault Allegations (2019-2022)

The purpose of this project is to examine front-page newspaper coverage of the Anita Hill/Clarence Thomas and the Christine Blasey-Ford/Brett Kavanaugh cases in three major newspapers within the United States. In collaboration with Dr. Danielle Slakoff.

Domestic Violence Offender Risk Assessment (2018 – 2019)

The purpose of this project is to assess domestic violence offenders' risk for recidivism using the Ontario Domestic Assault Risk Assessment (ODARA). Data are collected from the Niagara Falls Police Department, Niagara County Sheriff's Office, and Niagara County Probation Office. In collaboration with Dr. N. Zoe Hilton.

Addressing Domestic Violence & Poverty (2017 – 2019)

The purpose of this project is to assess the "A Window Between Worlds" program offered at Family & Children's Service of Niagara by conducting an outcome evaluation that specifically explores AWBW programming effectiveness at addressing survival-focused coping among domestic violence survivors living in poverty. In collaboration with Dr. Jennifer E. Beebe.

Capital Punishment & Victimization (2017 – 2018)

The purpose of this project is to extend the understanding of empirically proven predictors of capital punishment case outcomes by including the examination of victim-related variables as potential predictors. Data are collected from publicly available records regarding death penalty eligible cases. In collaboration with Dr. Talia Harmon and Dr. David McCord.
