RESEARCH GRANTS AND SIGNATURE PROJECTS

Principal Investigator, Community Kitchen. \$50,000 NobleCause Foundation funded grant to address the issue of food insecurity and lack of access to healthy and nutritional foods in Niagara Falls.

Faculty Coordinator, Creating a Healthier Niagara Falls. \$300,000 John R. Oishei Foundation funded grant to address health, livability and safety in the City of Niagara Falls. Project was a partnership between Niagara University, the City of Niagara Falls and the P2 Collaborative of Western New York.

Co-Project Director, Teagle Foundation Implementation Grant. \$281,000 grant to systematically assess student learning in service learning or community-based learning programs in order to create a replicable, national model for higher education. Grant in collaboration with Franklin & Marshall College (Pennsylvania) and Rhodes College (Tennessee).

Faculty Coordinator, Border Community SERVICE (Special Emergency Response Volunteer Initiative for Community Empowerment). Project originally funded through the Corporation for National and Community Service (CNCS). Now funded fully through contracts with Niagara County, the City of Buffalo and the Town of Tonawanda, this homeland security grant trains volunteers, with a focus on those over age 55, to prepare for and respond to emergencies and disasters.

Faculty Coordinator, ReNU Niagara: Niagara University's Community Outreach Partnership Center (COPC). Original \$399,891 grant was funded through HUD's Office of University Partnerships (OUP). ReNU has since been institutionalized at the university, however, its mission remains the same, a joint university-community partnership to enhance quality of life and improve underserved and distressed neighborhoods located near the university.

Project Coordinator, Systemic Change Award. Award in the amount of \$20,000 is funded through the Congregation of the Mission and focuses on building capacity in the local faith-based community and the development and facilitation of an inter-faith Institute of Public Ministry at Niagara University.

Co-Project Director, Teagle Foundation Planning Grant. 2007-2008. \$25,000 grant supported the creation of a consortium of liberal arts colleges that established and shared strategies to assess student civic engagement and learning. Grant was in collaboration with Franklin & Marshall College (Pennsylvania) and Rhodes College (Tennessee).

Site Coordinator, Niagara Falls Weed and Seed, 2004. Project was a Department of Justice, Executive Office of Weed and Seed funded initiative that incorporates community-based initiatives with a multi-agency approach to law enforcement, crime prevention and community revitalization.

Co-Investigator, TANF Child-Only Initiative, 2003. Project assessed the needs of kinship caregivers in Niagara County. Funded through a grant with the Niagara County Department of Social Services.

Principle Investigator, Community Perceptions and Attitudes toward the Police. 2002. Funded through a Niagara University Summer Research Stipend and Research Support Grant. Paper presented at the 55th Annual Meeting of the American Society of Criminology (ASC), Denver, November, 2003.

Evaluator, “None of Us are safe until ALL of us are safe”, the Niagara County Domestic Violence Intervention Program’s Violence Against Women Act (VAWA) Project. 2001.
