Alumni Survey
2020 and 2021

</center>

Please indicate your level of agreement with the following statements now that you have completed your program of study.

- ○ Strongly Disagree (1)
- ○ Disagree (2)
- ○ Agree (3)
- ○ Strongly Agree (4)

1. Learner Development

As a result of courses and field experiences in my program, I know how learners grow and develop and apply this knowledge in my practice.

2. Learning Differences-Individual

As a result of courses and field experiences in my program, I am able to accommodate and modify my instruction for individual differences among my students.

3. Learning Differences-Cultures and Communities

As a result of courses and field experiences in my program, I am able to implement instruction inclusive of the diverse cultures and communities of my students.

4. Learning Environments

As a result of courses and field experiences in my program, I can support an effective learning environment.

5. Content Knowledge

As a result of courses and field experiences in my program, I have in-depth knowledge of the content area(s I am expected to teach.

6. Application of Content

As a result of courses and field experiences in my program, I am able to use my content knowledge to engage students and promote learning.

7.Assessment

As a result of courses and field experiences in my program, I am able to implement a variety of assessments to measure students' progress and my own effectiveness.

8. Planning for Instruction

As a result of courses and field experiences in my program, I am able to plan instruction that afforded all students access to rigorous college- and career-ready standards (e.g. Next Generation, Common Core, Ontario Expectations, National Standards.

9. Instructional Strategies

As a result of courses and field experiences in my program, I am able to implement a variety of effective, evidence-based instructional strategies.

10. Professional Learning and Ethical Practice

As a result of courses and field experiences in my program, I know and uphold all standards of educational practice and ethical behaviors of teaching.

11. Leadership and Collaboration

As a result of courses and field experiences in my program, I am able to collaborate with families and colleagues to promote student learning.

12.Technology

As a result of courses and field experiences in my program, I am able to use current technologies to engage students, improve learning, and enrich my professional practice.

Response

Please indicate your level of agreement with the following statements now that you have completed your program of study.

- o Strongly Disagree (1)
- o Disagree (2)
- o Agree (3)
- o Strongly Agree (4)

As a result of courses and field experiences in my program, I am able to…

Chart presents percentage of respondents at each rating level and the mean overall response out of 4.
