

Professional Licensure Disclosure Mental Health Counseling

Niagara University's academic programs leading to licensure or certification are carefully designed to meet or exceed New York State requirements. Other states frequently have their own requirements, so if your goal is to work in another state, this disclosure will help you check to see what that state requires.

Per U.S. Federal Regulations §668.14 and §668.43, and in compliance with the SARA Policy Manual, Niagara University provides the following disclosure related to the educational requirements for professional licensure and certification.

Niagara University has designed its Mental Health Counseling programs that, if successfully completed, **are sufficient to meet** the curricular requirements for licensure/certification in New York State.
